

RIIHAN301D Operate elevating work platform (under 11 metres)

COURSE OVERVIEW

This unit covers the operation of elevating work platforms in the resources and infrastructure industries. It includes planning and preparing for operations, working from the platform, carrying out maintenance and cleaning up.

Workers operating an EWP that has a reach height of 11 metres or higher need to hold a licence for high risk work (TLILIC2005 Licence to operate a boom-type elevating work platform)

This course is for operators of elevating work platforms/scissor lifts that do not have the capacity to exceed 11 metres in height.

An **elevating work platform** is a telescoping device, hinged device, or articulated device or any combination of these used to support a platform on which personnel/workers, equipment and materials may be elevated to perform work. They may be called; EWP, Cherry Picker, Sky-Workers, Scissor Lift, Trailer-Mounted Lifts, Sky-Cranes or Boom Lifts.

CERTIFICATION

This course is Nationally Recognised Training and applicants deemed competent at the conclusion of the course will be provided with a Statement of Attainment and wallet sized competency card.

PAYMENT & TRADING TERMS

All courses require a position holding deposit of 50%. Applicants will be advised of the amount at the time of the booking. Payment for the balance is required prior to the final assessment being conducted. On receipt of payment you will be provided with a **student information book**. Corporate clients, will be forwarded an authority to invoice on the term of a 14 day account, unless prior arrangements have been made.

Facilities include Credit Card, EFTPOS, Cheque or Cash.

ASSESSMENT / REASSESSMENT

The participant is trained/instructed on each competency, the participant must then demonstrate the ability to perform each criteria and will be progressively assessed. Should the participant be deemed not competent, the student has a right to appeal the assessment decision and will be provided with the opportunity to either challenge the assessment or apply for re-assessment within a reasonable time frame. Students have the right to appeal if they are not satisfied with the outcome, according to your rights and responsibilities detailed in the student handbook. Further fees may be applicable for participants that require reassessment.

CANCELLATION & WITHDRAWALS

In the event of cancellation or withdrawal from this course a minimum of 72 hours' notice is mandatory. 10% of the deposit will be retained by 1 Stop Driving School for administration fees, the remainder of the deposit will be returned to the original payer. Dependent upon circumstances students may be offered an alternative date for training. There is no charge for a student to transfer to an alternative date, provided 72 hours' notice has been provided.

In the event 1 Stop Driving School is not notified of the cancellation and the student does not attend training, the full course fee may be applicable, the student agreement form specifies that the student/client is liable for full course fees upon non-attendance.

In the event 1 Stop Driving School cancel the training course, and is not rescheduling then a full refund will be returned to the payer.

JOB PATHWAYS

This unit is from the RII09 Resources & Infrastructure Industries Training Package. This unit of competency can provide Job Pathways in industry where conduct work with an elevating work platform is required, for more information please refer to the Resources & Infrastructure Industries Industry Skills Council: www.skillsdmc.com.au
