This course requires full payment prior to the course commencement date. Applicants will be required to provide payment at the time of the booking. Facilities include Credit Card, EFTPOS or Cash. Cheques are accepted 1 week in advance of the course.

TRAINING / ASSESSMENT & REASSESSMENT

Training is conducted in a classroom group environment and includes a power point presentation and theory training. A question and answer session will be conducted at the completion of each section. Face to Face training will be under the guidance of one of 1 Stop Driving School's experienced and qualified trainers.

On completion of training you will be required to complete a knowledge-multiple choice written assessment or verbal assessment for those that may have difficulties with reading and writing.

The Recreational Boating Operator Licence (RBOL) test consists of 30 questions to pass you must successfully answer 26 questions.

The Personal Watercraft (PWC) test consists of 15 questions to pass you must successfully answer 13 questions.

Note: a PWC endorsement may not be issued as a stand-alone licence. If an endorsement is required, a marine licence must first be obtained.

Reassessment. Where a participant is not successful in attaining the required number of correct questions they may be given the option to attempt a different version of the test. This may be attempted immediately following the first attempt. Where an applicant is not successful on the second attempt they may not attempt the test again on the same day.

CERTIFICATION & LICENSING

This course is the first step towards obtaining your Recreational Boating Operator Licence. Successful participants will be provided with a Certificate of Attainment for Marine Licence Training. You will then be required to take the Certificate along with the appropriate Evidence of Identity to a VicRoads office. New applicants will be required to read an eyesight chart to test their vision. A fee is payable to VicRoads for the marine licence and any endorsement. If you do not present your certificate to VicRoads within the valid period on the certificate you will have to take the test again at a cost to you. All applicants will be required to meet the health requirements for operating a powered recreational marine vessel and may require further testing. Contact VicRoads for further information.
